Headline:
Dry and warm through this period, turning cooler Thursday.

This Evening and Tonight:
A fine and dry evening and night with light winds and prolonged clear spells. This will lead to a chilly end to the night with isolated fog patches. Some ground frost is possible in prone spots. Minimum temperature 1 deg C (34 deg F).

Tuesday:
A fine and dry day on Tuesday, with light winds and long periods of uninterrupted sushine. Feeling warm in the afternoon, though cooler along south coast due to onshore winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Dry, sunny and warm Wednesday. Band of cloud moving south on Thursday, then sunny but cooler and breezy. Cold and dry but rather cloudy on Friday, breezy on coasts.
